25X1X

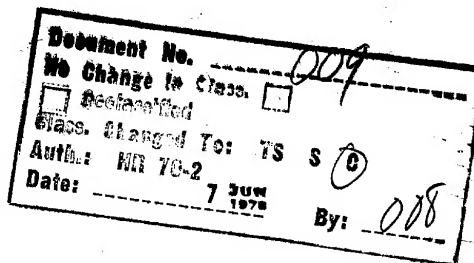

1. A list of trucks which were to pick up timber for cantonment buildings to be constructed in WERDER (N 53/E 79) was examined at the "Gruena" loading ramp near JUETERBOG (N 52/E 69). The

25X1C

2. Two thousand cubic meters of timber had been stored in JUETERBOG, 1,000 cubic meters in HEIDENHOF and 1,000 cubic meters in WERDER from April to August 1949.

25X1A

Comment: The report indicates that the construction of cantonment buildings in the WERDER-MARKENDORF training area had not been completed by August 1949. The fact that motor vehicles of the 6th and 7th Gds Tank Div (Cadre) picked up timber for the construction of cantonment buildings in the WERDER area confirms that units of these two divisions hold their summer maneuvers in the mentioned area.
